<b>Itinerary</b>	:-

Morning, depart from your hotel in Sandakan or meet at Sandakan Airport. Drive to the world-renowned Sepilok Orang Utan Rehabilitation Centre to witness the feeding of the iconic Orang Utan and a good opportunity to photograph them in their natural habitat. The centre was established in 1964 to help rehabilitate the Orang Utans which had been orphaned, or displaced by logging and clearing of secondary forests for plantation. The magnificent mixed dipterocarp forest offers a natural home to the Orang Utans, which slowly become less dependent on their twice-daily feeding of milk and bananas at the centre and eventually return voluntarily to the wild.

Continue your journey to Labuk Bay Proboscis Monkey Sanctuary, where you can see Borneo's indigenous proboscis monkeys. This privately-owned sanctuary located within an oil palm estate gives you the chance to observe these animals up close and personal. You will have the chance to observe the Proboscis Monkeys both young and adults leaping from tree to tree and eventually coming down to feed on young leaves, plants and rice cakes. Drop off at Sandakan Airport or at your respective hotel.
